#### **CRITERION I – CURRICULAR ASPECTS**

##### **1.1 – Curriculum Planning and Implementation**

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The curriculum planning and syllabus designing is decided by the university's board of studies. Many of our teachers have representation in the board of studies and they assist in the framing of the curriculum at both UG and PG level. Our collage implements new syllabus whenever the university's board of studies change the curriculum planning. The concerned departmental teachers are informed about the new curriculum; our teachers participate in the orientation workshops conducted for the new curriculum in the university. Whenever the syllabus changes the concerned H.O.D. and the representative teacher hands a copy of the new syllabus to the principal of our collage. Our library is regularly equipped with the reference books. The teachers are asked every year to submit a list of new reference book and journals. To be included in their respective departments for their students and the teachers provide a list of new books for reading. A copy of the syllabus with the names of reference book is circulated in the concerned department, in the library, and among the students. The teachers follow a regular timetable and the classes are conducted regularly. Through there are many extracurricular activities carried out for the students throughout the year, our teachers manage to complete the syllabus by arranging the extra classes. Attendance is taken; different techniques and method of teaching learning are followed by different teachers. Most of our teachers make use of audio-visual method of teaching learning discussions are done by classes, guest lectures, seminars, presentations are arranged. All the departments maintain records of the faculties and students; regular feedback about the syllabus, teachers and collage is taken from the students. Regular counselling and guidance are provided and weak students are encouraged in learning.

### 1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>Feedback form/formats are designed for the stakeholders. This includes faculty feedback, student feedback, alumina feedback etc. Faculty feedback from the students for the respective course is taken twice in a semester on various teaching/learning aspects and it is analysed by the HODs and corrective measures if any, are informed to the respective faculties for further improvements. The feedback so obtained is analysed for further improvement. Feedback from the parents is taken by interacting with them during Parent Teacher Meet. Feedback is taken from alumni for suggestions or improvements in</p>

the curriculum. Feedback from the final year students is taken for their suggestions in improving the curriculum. Feedback from faculties is also taken for their suggestions in syllabus revision. This feedback is discussed in meeting of training and placement cell. The collected data is entered in excel sheet and is presented in front of library committee for review and discussion. We have also installed a suggestion box which is accessible to all the stake holders so that they can give their feedback/ suggestions for improvements, if any. College Management conducts the exercise of student feedback every year. We have a system of taking feedback from students on infrastructure and also subject wise teachers. The feedback which measures parameters like Subject knowledge, Expression, Teaching aids used, methodology etc. which is analysed by our management for taking appropriate decisions for improving the infrastructure and also quality of teachers. From these forms we are able to make out whether the proper teaching learning process is in place. Also, this process enables the institute to improve in the areas where ever necessary. Every semester junior faculty evaluation is processed by senior faculties, subject experts and inform to the faculties for enhancing their skills. The feedback is key tool which triggers in continuous improvement in the quality of education. The feedback is taken from students in order to analyse and implement as per their needs. Also, feedback is taken from experts and external examiners on quality of our students. Based on the faculty feedback the probationers and regular faculty are counselled for the lacunae. Based on the above feedbacks and suggestions received we take corrective actions to complete the loop.

**2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)**

Students are assigned to a faculty member who acts as their mentor for the entire programme duration. Mentor regularly interacts with the students and monitor their academic performance and attendance. Students are counselled by the mentors, class advisors, subject faculties and HOD for improving their academic performance and attendance. Mentors and Class Advisors counsel the students regarding their performance and schedule additional lectures/practical's. At first year level, students academic and personal issues of concern are well looked after by the class advisor/mentors. The critical cases are handled by first year in charges. This way the students realize their responsibilities at the early stage itself. Mentoring system is followed by all departments from the second year onwards. The students are given guidance for career, personal, besides academic issues. A special arrangement also, is made available to the students to deal with psychosocial issues arising in cases like single parenting, bread earner in the family etc. For higher semesters, the mentors allocated to the students will council same group of students for three years i.e., the same set of students will be monitored and counselled till they have passed the course. The meetings of mentorship are conducted every month, in which students meet their mentors for academic and personal issues. The students who have less attendance and who have missed their internal tests are paid special attention from mentor's side. Even the students with many issues are asked to call parents for parents- mentor meetings. The mentor is also responsible to provide counselling to the student and provide guidance regarding personal and academic issues. The mentor keeps track on their improvements and counsels them accordingly. The role of the mentor is to nurture the students and guide them for any issues they are coming across. Students with personal/family problems if any, are given counselling and support by a professional counsellor. A large number of students who perceive the professional course are quite focused, still they may fall short of score to be promoted to above sections. Such students are given counselling by the mentors and the subject teachers and remedial lectures are conducted. Students are supported and guided both in co-curricular and extracurricular activities. The mentors of the class discuss with each and every student individually and supports them in all the possible ways to enrich their academic performance. The mentors contact the parents and educates them, if required about their wards performance, and the academic programmes of the college as well as the support system and the monitor system the student and parents. The mentors always keep a check on the attendance of the student, the marks/grades obtained in the internals externals examinations, and regarding his/her candidature in the campus placement and provides remedial coaching.
